CHINA : DELEGATES SELECTED TO THE 19TH PARTY CONGRESS

by JAYADEVA RANADE

Preparations for the 19th Congress of the Chinese Communist Party (CCP) which, according to credible reports is likely to be held towards the end of October 2017, are well underway. The election of 2,300 Delegates to the Party Congress from 40 electoral blocs has virtually been completed. 2,270 Delegates were elected to the 18th Party Congress in November 2012. 1,909 Delegates for the 19th Party Congress representing Central Departments directly under the CCP Central Committee (CC), Central State organs, the Central Enterprise system and the provinces and centrally-administered Municipalities, have been elected.

The Politburo Standing Committee (PBSC) members are, as per practice, all Delegates to the 19th Party Congress. Pertinently and possibly because of the focus this year on poverty alleviation, all PBSC members represent the poorer provinces. Xi Jinping is the Delegate from Guizhou, Li Keqiang from Guangxi, Zhang Dejiang from Inner Mongolia, Yu Zhengsheng from Xinjiang, Liu Yunshan represents Yunnan, Wang Qishan is the Delegate from Hunan and Zhang Gaoli from Shaanxi.

The list of Delegates representing the People's Liberation Army (PLA) and People's Armed Police Force (PAP) has not yet been released. At the 18th Party Congress in 2012 there were a total of 251 Delegates, or 10% of the total number, representing the PLA and 49 representing the PAP.

The Hongkong media has pointed out at least eight prominent omissions from the list of Delegates to the upcoming Congress. All are either Full or Alternate members of the 18th CCP Central Committee and all are, interestingly, past members of the Communist Youth League (CYL). They are also eligible in terms of age. The eight are:

Qin Yizhi - Head of the CYL; CC Member; 51 years.

Zhao Yang - Deputy Director of General Administration of Sports; Alt Member CC; 54 years.,

Deng Kai – Deputy Party Chief of the All China Federation of Trade Unions (ACFTU); Alt Member CC; 57 years.

Liu Jian – Chairman, State Development and Investment Corporation; Alt Member CC; 47 years.

Zhang Zhijun – Director Taiwan Affairs Office; CC Member; 64 years.

Nur Bekri – Director, National Energy Administration; CC Member; 55 years.

Yang Yue – Vice Governor, Jiangsu Province; Alt CC Member; 49 years.

Wang Anshun - Head, State Council Development Research Centre; CC Member; 59 years.

Meanwhile veteran cadres and those in the senior-most echelons of the Party will gather at the seaside resort of Beidaihe in the next few weeks. During their meeting in Beidaihe they will decide on Xi Jinping's Work Report to be presented to the Congress, amendments to the Party Constitution – including possibly incorporating Xi Jinping's speeches and writings as 'Xi Jinping Thought' -- and approving names of those considered suitable for the CCP's Central Committee (CC), Politburo (PB) and PBSC. They may also approve names of officers to be appointed to the Central Military Commission (CMC) and as Commanders of the People's Liberation Army (PLA)'s different arms and services. These may, however, have already been finalized as suggested by the appointment of the PLA Navy Commander early this year and reports that the PLAAF Commander has already been decided.

The name list of the 1,909 Delegates to the 19th Party Congress is appended.
