**PEOPLE'S LIBERATION ARMY (PLA) AND PEOPLE'S ARMED POLICE
(PAP) DEPUTIES TO CHINA'S THIRTEENTH NATIONAL PEOPLE'S
CONGRESS (NPC – MARCH 5 – 20, 2018)**

by JAYADEVA RANADE

The People's Liberation Army (PLA) and the People's Armed Police Force (PAPF), which was brought under the Central Military Commission (CMC) with effect from January 1, 2018, together sent 269 Deputies -- one more than to the 12th National People's Congress (NPC) -- to the first session of the 13th NPC held in Beijing from March 5 – 20, 2018. Chinese media reports indicated that the Chinese Communist Party (CCP) Central Committee (CC) carefully vetted the selection of Deputies and that political reliability was the 'key' criteria. The Deputies representing the PLA/PAPF at this NPC reflect Chinese President Xi Jinping's preference for elevating politically reliable officers with good professional qualifications, experience of war or Military Operations Other Than War (MOOTW) and varied experience. The average of the PLA/PAP Deputies is 50.4 years, or 2.7 years less than at the previous NPC. There are 21 Deputies of ethnic minority backgrounds.

An analysis of the composition of the PLA/PAPF Deputies reveals that the Deputies represent 23 organisations of the Chinese armed forces with the departments directly under the CMC accounting for 37 Deputies. Anticipatedly the PLA Army (PLAA) has the maximum representation with 38 Deputies. This is followed by the PLA Navy (PLAN) with 18; PLA Air Force (PLAAF) with 16; PLA Rocket Force (PLARF) with 13; and the secretive PLA Strategic Support Force (PLASSF) with 3.

Three serving PLA Theatre Commanders are among the Deputies to the NPC. These are: PLAA General Zhao Zongqi (赵宗岐), Commander of the PLA Western Theatre

Command; PLAN Vice Admiral Yuan Yubai (袁誉柏), Commander of PLA Southern Theatre Command; General Wang Jiaocheng (王教成), former Commander of the PLA Southern Theatre Command; and General Liu Yuejun (刘粤军), Commander of the PLA Eastern Theatre Command. Two Political Commissars of Theatre Commands are among the Deputies namely, PLAA Lieutenant General Wu Shezhou (吴社洲), Political Commissar of the Western Theatre Command and Lieutenant General Fan Xiaojun (范骁骏), Political Commissar of the PLA Northern Theatre Command.

PLAAF Lieutenant General Yi Xiaoguang who was appointed Commander of the Central Theatre Command on October 18, 2017, becoming the first PLAAF officer to be appointed a PLA Theatre Commander, was not among the list of NPC Deputies. Yi Xiaoguang is, however, a member of the more important 19th Central Committee of the CCP.

85 Deputies, or 31.6% of the total number, possess professional technical backgrounds. This is an increase of 2.5% over the representation at the previous NPC. The number confirms the emphasis being given by China's leadership to defence R&D and S&T and indigenous production of advanced weapons systems, warships, aircraft etc. Noticeable also is the qualitative improvement in the educational and professional levels of the Deputies with 148 of them having education qualifications at the research level. 90 Deputies have received merit awards of PLA Second Class and above, and all have been described as "outstanding in their areas of Chinese military".

Interesting is the inclusion of Liu Wei, Political Commissar of the PAP Garrison at Chongqing, where political problems are reported to continue to persist. Chen Min'er, Politburo member and recently appointed Party Secretary of the centrally administered Chongqing Municipality, said on the sidelines of the NPC session on March 6, 2018, that investigating former Politburo members Bo Xilai and Sun Zhengcai had removed "major political hidden dangers for the party" and that "They both are the source of the pollution of the political ecology, and they massively harmed Chongqing's officials." Chen Min'er added "Everyone has heard that the evil legacy of Bo Xilai's thinking has yet to be purged, so we must purge it together with the pernicious influence of Sun Zhengcai." General Wang Nin, a close associate of Xi Jinping and Commander of the PAPF, had

written in the Central Party School paper ‘Study Times’ in October 2017 pointing to the PAP’s task of ensuring national security, social stability ‘and preventing unharmonious behaviors in society’.

A list of the 269 Deputies from the PLA and PAPF indicating their names, ranks and designations is attached.
